Book Buzz: A world expert on how trees chemically affect our environment, Canadian scientist Diana Beresford-Kroeger has woven together ecology, ancient myth, horticulture, spirituality, science & alternative medicine in The Global Forest: 40 Ways Trees Can Save Us to capture their enormous significance to us - and our future!

First Pres is having a one week mission trip to the Dominican Republic on May 19. Please pray for God's blessings as our team work with poor Haitian immigrants who are struggling.

If you are interested in participating, contact Nancy Ostertag (we still have up to 5 openings) ASAP at ostertag15@yahoo.ca or by phone/text at 705-791-9196.

You have an opportunity to find out more about our mission efforts through the work of Youth for Christ Collingwood. There will be a "Show and Tell" night at 7.00pm Tuesday Jan. 21 at the YFC facility, 25 Cameron St. across from CCI. Join us for coffee and information.

While we may never know all there is to know about God, God gives us lots of ways we can know Him. We can pursue knowing more about Him. We can pursue knowing more about God through Jesus, who showed why knowledge is so important. The more we know God the better we can live His way each day.

*The children continue to contribute to the school **breakfast program** with their weekly offering. We encourage the children to bring an offering to donate to this worthwhile*
